Remembering Lisa
10/29/1969 - 6/20/2000
Lisa I. Winandy
I've thought about this so much, and asked myself "why is it that we choose to remember our loved ones with a memorial on the day they left our lives?" This seems so sad! I want to remember you, my dear daughter, on the day you came into my life, and the treasured years that followed. I have so many wonderful memories and the happiness you brought into my life and the lives of so many others. I miss you Lisa, and always will, but am comforted by the time we had together and knowing that I will see you again someday.
Happy Birthday "Special Peanut"!
