David May
NEW Owner

This is not an advertisement, this is a section of The St. Ignace News bought and paid for by myself. I am doing this so the public can be aware of what is happening in St. Ignace. I moved to St. Ignace 17 years ago and married Cecelia Moses (Holmes). We have two wonderful children Michelle Moses, and Andy Holmes. Like many of you I have had to struggle to get to where I am today. I still continue to work two jobs.

In January 2005, I opened the Farmers Insurance Agency and moved into the Bell Office Building in August. Our insurance business is growing very rapidly. We have a staff of two agent owners and three customer service representatives. All of these people have a vested interest in our community.

Due to our growth, we have been able to support activities in the community. In May we sponsored the Moran Mud Run. We were also able to donate \$500.00 to the Gleaner Scholarship Fund, this will help two LaSalle Students to attend college this fall.

Recently a group of agents from Auburn Hills opened an agency on North State Street in St. Ignace. This is also a Farmers Agency, their support staff and agents are from Auburn Hills. They have a second office in Auburn Hills and they really don't have a vested interest in this community. There is only one reason they are here. I can assure you that policy prices are the same at any Farmers Agency.

I will keep my office open and my staff employed. This is my first priority, to provide employment to members of the community. I will also continue to provide financial support for community activities.

Do you want your insurance dollars to stay in this community or do you want them to go to Auburn Hills? If you have any questions please stop by my agency or call me.
