The Rudyard Junior High School track team of Elden Salo, Tyler Wilson, Tyler Fountain, and Scotty Smith took a win in the 800 meter relay Saturday, May 10, in Pickford, after losing to the St. Ignace runners just a few days before.

Bob Wood and Nickolas Rice returned from Iraq last week. Bob and his new wife, Mellisa, who is also in the armed forces, will live in Georgia, and are flying out Monday, May 12. Bob is the son of Denise Barnes, who runs Barnes Insurance agency in Kinross.

Don't forget about the spaghetti benefit dinner for the Rudyard Boy Scouts at the Rudyard Community Center Saturday, May 24, from 4 p.m. to 7 p.m.

Members of the AmVets Post 1899 will celebrate Memorial Day with a parade Saturday, May 24, and the Kinross Post will again be riding the vintage Air Force truck. Each year for more than 10 years, members of Post 1899 have gathered with lists of veterans, new flags, and military markers to post at each veteran's grave.

Last year, the post reported, people stole the brass markers from the cemetery and turned them in for scrap.

This year, the post replaced them with plastic markers. Anyone finding a veterans marker missing is asked to contact Dan Mitchell, John Gaines or Joe Paczkowski to arrange for replacement.

Leaves are popping out and marsh marigolds are once again lining the ditches on the roadside. If the weather would just reach a few degrees warmer, how nice that would be.

Graduation is this coming weekend and we shall soon say goodbye to another class of seniors, and what a terrific Cedarville High School

class this has been.

Ten of Cedarville's seniors were in attendance at the luncheon for the E.U.P. Principals Awards, indicating that they had a 3.3 grade point average and scored 24 or higher on the ACT. Their tremendous success in athletics, music, art, and academics certainly proves that we can all be proud of our teachers, our school,

and our young people.

Graduation parties are on the agenda for many and a lively time of fun and good food is ahead. We wish all of these young people success and happiness in whatever their future holds.

Now is the time to sign up for the Arts Council classes scheduled for June. A class in birch bark cut-outs by Anny Hubbard will be given June 18; a class in German scissor cutting by Annegret Goehring June 24; on June 27, gold leaf and egg tempera will be taught by Gerry Adams, and on June 27, Ron Paquin will teach students to make a birch bark pocket basket.

The details of all of these classes may be learned by calling Peggy Patrick at 484-3069, Susie Risher at 484-1365, or Gerry Adams at 484-3923.

Fishermen may sign up for the Islands Wildlife fishing contest in the Les Cheneaux Islands starting at daylight Memorial Day, May 26, for both adults and youths.

A registration fee is required before the contest at Fish Tales Bait in Cedarville, where the fish can also be measured.

Our township sparkles a little brighter following last Saturday's clean-up day, which afforded a way to get rid of unwanted items in yards and garages.

The 20/20 youth group will have a garage sale in Naubinway this weekend. They're taking donations of good, used, clean, salable items to benefit the upcoming mission trip.

Graduation is fast approaching, with some open houses already being held. What a milestone, and to all our local graduates, may the road ahead be smooth, and your

vision clear. Best wishes to Shauni Rutledge, Tristina Browning, Jamie Maison, and Dennis Borowski.

Our tiny towns are saddened by the news of the passing of longtime Garnet resident Cecil Kerridge, a gentleman of the finest caliber, a handyman who could tackle most jobs, and the finished product was always of the greatest quality. He didn't turn down too many jobs in the township, serving on the Board of Review for many years, as well as whatever capacity
