Cooler temperatures are coming into the area. The tree color is spectacular in many places.

Our tomato bushes have many "almost ripe" tomatoes on them and I hope we can rescue them before it gets too cold.

I received an e-mail this week from a happy young fisherman by the name of Derek Burger. Derek caught this beautiful pike last week while fishing with his father. The pike weighed just over 11 pounds and was 35 inches long. It was caught in Muskie Bay between the #10 can and the Birches.

Derek, 9, is a fourth grade student at Les Cheneaux schools. He is the son of Rob and Joni Burger of Hill Island in Cedarville. It's always a pleasure to write about these fishing stories; it encourages fishermen from other places to come and try their luck.

Bow season for deer has begun and also the opening day of duck season. One can always recognize that first day of duck season, as guns start booming at daylight. If there are any lucky bow hunters out there, please let me know.

There will be a Red Cross Blood Drive at the Community Center Tuesday, October 14, from noon to 5:45 p.m.

It is already October and pumpkins, corn stalks, witches, and

ghouls are beginning to make their appearance in windows, and on porches and lawns. It's fun to drive around and look at the decorations.

Good wishes to Margaret and Ed Pavay, who are celebrating their 50th wedding anniversary. It seems to me that the 50 year anniversary celebrants are getting younger and younger.

The Cedar Post Thrift Shop on M-134 is asking for donations of macaroni and cheese to help fill their food shelves for those in need.

Now is the time to take a ride in northern Michigan, to view the beautiful changing colors of the fall season. Halloween decorations are already being displayed in all neighborhoods. What fun it is to see the sights.

Linda and Alex Fisher reported the turnout for the eighth annual Bob-O Classic was a success. There were 74 golfers, and they

cleared about \$5,000. All proceeds are given toward the Bobby Glasser Memorial Scholarship Fund. Qualifying DeTour graduates benefit from this college scholarship fund.

Plans are underway for the annual Village Christmas, which this year will be a three-day event, Friday, December 5, Saturday, December 6, and Sun-

day, December 7. Arts and crafts will be at the Village Hall. Artists will be located at the E.U.P. Cultural Center. Breakfast with Santa will be at Fisher's restaurant.

Friday evening, December 5, members of the Botanical Garden will hold a tree lighting. During this time the play "A Christmas Carol" will be presented. Casting

of characters for the production is still taking place.

The Scholastic Book Fair will open with Family Night Wednesday, October 8, from 6 p.m. to 8 p.m. at the DeTour school and public library.

A thought: One cannot think well, love well, sleep well, if one has not dined well.
