DeTour

The weather has made us think spring for the past couple of days, but we're still hoping for good snow between now and Saturday, March 7, so the snow sculptures and winter activities can take place during the annual Winterfest, sponsored by the DeTour Area Chamber of Commerce.

Last week was Spirit Week at DeTour Area Schools, and the students had a great time participating in the contests. ames included human bowling, frozen T-shirt contest, and everybody's favorite, the lip sync contest. At the end of the week, when all the points were counted, the junior and senior classes tied for first place. The homecoming festivities ended with a dance Friday night, February 6, after the basketball game between DeTour and Pickford. Nominated as Homecoming King and Queen were freshmen Darci Wilson and Michael Freeman, sophomores Ashlyn Bosley and Brandon Kerkierewicz, juniors Ashley

LaPoint and Chase Livingston, and seniors Laura Fussman and Josh Wilson. Josh Wilson and Laura Fussman were crowned King and Queen by elementary students Alora Barbeaux and Wyatt Galarowic. Congratulations to all of the DeTour students for planning and participating in this long tradition.

The DeTour Senior Citizens Club potluck and meeting will be Thursday, February 12, at 5:30 p.m. If you or your spouse are 55 years old or older, you are invited to become a member of this group. Potluck meetings are the second Thursday of the month, and special events take place throughout the year. Dues are \$5 per year. Anyone who would like to attend a meeting to find out more about the club is welcome. Just bring table service for yourself and a dish to pass.

If you are interested in health-related activities, there are two events coming up at DeTour Village Hall that will be of interest. Wednesday, February 18, at

12:45 p.m., the Community Consolidated School Services and War Memorial Hospital will present a senior living class, "How to Prevent Falls and Live Independently," and Friday, February 20, at 1 p.m., Kristy Hill, registered dietitian from the Sault Ste. Marie Tribe of Chippewa Indians, will present a "Basics of Diabetes" educational class. Both classes will follow the noon senior citizen luncheon. If you or your spouse are older than 60 years old, and you would like to join the group for lunch that day, just call and leave a message for Michelle at 297-6881.

I just received a note from David Rhinard, letting me know that the auditions for the Spring EUP Fine Arts Council presentation of "Steel Magnolias" will be coming up in early March. If you are interested in auditioning for a role, or in working behind the scenes, call Mr. Rhinard at 297-5608. Watch the newspaper and local posters for exact audition dates and times to be announced.

Island Protection Agreement Renewed

A five-year fire protection agreement between the City of Mackinac Island and the Mackinac Island State Park Commission was approved by the Mackinac Island City Council at its January 28 meeting.

In exchange for fire protection of the state park and its buildings, the commission will plow city streets in the winter, provide diesel fuel for the city's fire trucks, and lease the city's Fire Station #2 property near Surrey Hill for \$1 a

year. The park commission had asked for a 20-year agreement but the city rejected the offer. There are no changes to the old agreement, which also was for five years and expired January 31. The Park Commission approved the renewed agreement at its meeting in East Lansing Wednesday, January 14.

It had asked for 20 years to conform to its other agreements and leases.
